RESPONSE

Sir:

NOTICE OF NON-RESPONSIVE AMENDMENT was mailed on August 28, 2006, wherein the reply filed on June 20, 2006 is not fully responsive to the prior Office Action.

In the Office Action mailed on June 1, 2006, it was held in the Office Action Summary that a shortened statutory period for reply is set to expire 3 months from the mailing date of this communication.

On the other hand, in the section of Information Disclosure Statement on page 2 of the Action, it was held that "applicant is given **one (1) month** from the date of this notice to supply the above mentioned omissions or corrections in the information disclosure statement."

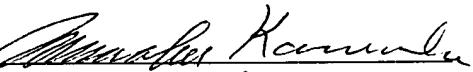

In view of the statement on page 2 of the Action, a response was filed on June 20, 2006, i.e. within 1 month from the mailing

date of the Action, wherein explanation of Japanese Utility Model Publication No. 1-61165 filed on December 23, 2003 as IDS was filed.

The reply filed on June 20, 2006 is a response only to the IDS as stated on page 2 of the Office Action, and the rest of the response to the Action was filed on August 31, 2006, within 3 months from the mailing date of the Action.

Please examine the application.

Respectfully Submitted,
